### MATES HONOR JOHN ANDERSON.

Before Testimonial Dinner Noted Amateur Breaks Siwanoy Record. MOUNT VERNON, Sept. 18 .- Friends and clubmates of John G. Anderson— 150 of 'em—attended a testimonial dinner at the Siwanov Country Club tonight in recognition of his plucky effort to win the national amateur golf cham-pionship. Anderson, who added to his club's fame by fighting his way into the final round at Detroit and then giving Robert A. Gardner a stern battle for the title, was acclaimed as a hero. The propitiousness of the occasion was increased by the fact that Anderson

smashed the course record at Siwanoy this afternoon. He was out in 38 and came home in 36 for a new mark of 74. The quality of his play can be appreciated when it is considered that he took 6 on three holes of the outgoing jourservice with the Chicago Nationals and the St. Louis Nationals as a pitcher, is in a hospital at Balfour, N. Sheepshead Bay Track, Driver Says, Will Be Good for 130 Miles an Hour.

### TEN THOUSAND SEE OPENING OF COURSE

The Sheepshead Bay Motor Speedway showed itself a thing accomplished yesterday, and the fastest automobile race course in the world, as it was promised it would be, made good that prophecy and pledge. Dario Resta, whose Italian name fits in oddly with his British accent, drove a French Peugeot car ten miles in 5 minutes 82 4-5 seconds, averaging 108.04 miles an hour,

the fastest on record for this feat. He himself in Chicago did ten miles. the first ten of a match race where he did better than 100 miles in the hour, in 5 minutes 57.70 seconds. That is the record, as nearly as any exists, that Resta cracked. He is nearly the

that Resta cracked. He is nearly the whole allied nations, being Italian-English and driving a French car. And to make a bad pun, he certainly went around there a-Russian.

More than 10,000 persons were there for the informal opening. Almost all went by automobile, and certainly more than 5,000 were in the parade, made up of divisions from New York, Brooklyn and Newark, that competed for prizes in various groups. The parade, for a wonder, started promptly on time and made good headway, getting through Brooklyn to the bay.

Some odd and original decorations appeared. One of the most pretentious was the Chandler float, the submarine O. U. Chandler, which was entered by

A Marathon car, decorated with doves and entered by Claude Hyde of Otisville, won the prize for the best decorated. An Oldsmobile won in division B, and in division D one called "A Coontown Honeymoon" won the prize for the grotesque.

The formalities of the opening of the speedway course consisted of the raising of the American flag over the judges' stand by Miss Elizabeth Nicholls, daughter of James C. Nicholls of the speedway management. This was fol-

speedway management. This was followed by the christening. Mrs. Orson Kilborn, whose father-in-law, Horace M.
